St. Louis 4, Missouri

Annual Index to HOSPITAL PROGRESS

VOL. 36 • JAN.-DEC. 1955

Compiled by a Central Office Staff

Guide to Use

This is an author-subject index, meaning that authors and subjects are arranged in one alphabetical arrangement. Titles appear only when they are the sole representation of a subject field, and when the name of a particular place is featured in the content of the article.

Cross references are used:

1. *See,* which means "There is no material here, look under the suggested headings."
2. *See also,* which means "There is other related material under the suggested headings."

Volume number and the word "Page" or its abbreviation "p." have been omitted.

Abbreviations are as follows:

bp—bishop
br—book review
ibid—Same source as above
il—illustrated
jt auth—joint author
et al—and other authors
msgr—monsignor
rev—reverend
sr—sister

Ja—January
F—February
Mr—March
Ap—April
My—May
Je—June
Jl—July
Ag—August
S—September
O—October
N—November
D—December
